Activities List – valid from 1st December 2018

Inevitably the following list is not exhaustive, so if the activity is not listed please contact us and we will advise terms.

Important note applicable to all activities

All activities shown are on a **non-professional** basis unless otherwise stated.

Each activity has a category code which determines what the premium is for Part A cover.

Some of the risks need to be referred to us – **please submit with full details.**

You are required to follow the safety guidelines for the activity concerned and where applicable you use the appropriate and recommended safety equipment. This would include the use of safety helmets, life jackets, safety goggles and protective clothing where appropriate. Please note that a General Exclusion of cover exists under your policy with us for claims arising directly or indirectly from your "wilful act of self-exposure to peril (except where it is to save human life)".
